

States, with the NRC in accordance with 10 CFR part 150, §150.20 (an Army radiation permit issued under provisions of this section will be valid for no more than 180 days in any calendar year);

(3) For NARM and machine-produced ionizing radiation sources, the applicant has an appropriate State authorization that allows the applicant to use the source as specified in the Army radiation permit application or has in place a radiation safety program that complies with Army regulations; or

(4) For overseas installations, the applicant has an appropriate host-nation authorization as necessary that allows the applicant to use the source as specified in the Army radiation permit application and has in place a radiation safety program that complies with Army regulations. (Applicants will comply with applicable status-of-forces agreements (SOFAs) and other international agreements.)

(d) All Army radiation permits will require applicants to remove all permitted sources from Army property by the end of the permitted time.

(e) Disposal of radioactive material by non-Army agencies on Army property is prohibited. However, the installation commander may authorize radioactive releases to the atmosphere or to the sanitary sewerage system that are in compliance with all applicable Federal, DoD, and Army regulations. (The installation commander also will give appropriate consideration to State or local restrictions on such releases.)

AUTHORITY: 10 U.S.C. 3012.

SOURCE: 42 FR 56326, Oct. 25, 1977, unless otherwise noted.

### § 656.1 Purpose.

The purpose of this regulation is to establish uniform policies, procedures, and criteria for controlling off-road travel by off-road vehicles, and to prescribe appropriate operating conditions for use of such vehicles. This regulation implements DOD Directive 6050.2, August 21, 1974, amended August 10, 1977.

### § 656.2 Applicability.

(a) This regulation applies to all installations and activities in the United States under management and control of the Department of the Army by administrative jurisdiction in accordance with a public lands withdrawal, lease, or similar instrument, under the following conditions of use:

(1) Installations and activities in active use by the Army, those held in an inactive or standby condition for future active use by the Army, and those in an excess category (see AR 405-90, for further guidance with respect to excess properties).

(2) Federally operated installations and activities, or portions thereof, which are in full-time or intermittent use by the National Guard, or which are being held by the Department of the Army for use by the National Guard.

(3) Installations and activities, or portions thereof, which are in full-time or intermittent use by the Army Reserve or ROTC.

(b) This regulation does not apply to:

(1) Civil Works functions of the Corps of Engineers.

(2) Facilities occupied by Army activities as tenants when real property accountability and control is vested in another military department or government agency, such as the General Services Administration.

### § 656.3 Definitions.

For the purpose of this regulation, the following definitions will apply:

(a) Off-road vehicles (ORV). Any motorized vehicle designed primarily for, or capable of cross-country travel on or immediately over land, water, sand, snow, ice, marsh, swampland, or other
